0542454258 aishajaber1717@gmail.com Saudi Arabia

SUMMARY

Finance and Digital Operations Specialist with experience in financial reporting, revenue management, budgeting, cash flow analysis, accounts receivable and payable, and operational performance monitoring. Skilled in airline customer service, Amadeus reservation systems, ticketing, rebooking, PNR management, and travel disruption resolution. Proficient in CRM systems, Microsoft Office, digital marketing, website development coordination, and e-commerce integration. Strong background in financial analysis, customer relationship management, process optimization, and cross-functional collaboration to improve operational efficiency and customer satisfaction.

EDUCATION

- **Bachelor of Business in Finance**
  King Abdulaziz University | 2022

EXPERIENCE

Saudia Airlines | Saudi Arabia
Call Center Specialist | September 2025 – June 2026

- Delivered professional customer support to domestic and international passengers, addressing travel inquiries and ensuring a high-quality customer experience.
- Utilized the Amadeus reservation system to manage bookings, ticketing, rebooking, Passenger Name Records (PNR), and fare adjustments.
- Resolved flight disruptions, cancellations, and itinerary changes while maintaining accuracy, empathy, and compliance with airline policies.
- Assisted passengers with baggage inquiries, loyalty programs, travel regulations, and special assistance requests.
- Coordinated with airport and operations teams to facilitate passenger services and support seamless travel arrangements.
- Maintained accurate customer records and documentation while adhering to call handling performance indicators and quality assurance standards.

Deer Fit | Saudi Arabia
Finance & Digital Operations Coordinator | 2022 – 2025

- Managed revenue reporting across multiple branches, ensuring financial data accuracy and consistency in operational reports.
- Developed budgeting strategies and financial monitoring procedures that improved cash flow visibility by 25%.
- Oversaw accounts receivable, accounts payable, monthly financial forecasting, and financial compliance reporting.
- Prepared weekly financial performance reports and presented actionable insights to support management decision-making.
- Planned and executed data-driven social media campaigns, contributing to a 60% increase in engagement.
- Coordinated website development for small and medium-sized businesses, integrating secure payment gateways and improving user navigation.
- Monitored financial and digital operations to identify improvement opportunities and support business performance objectives.

Mona Haberdashery Est. | Saudi Arabia
Sales Specialist | 2020 – 2022

- Managed customer relationships, processed sales transactions, and maintained accurate cash handling records.
- Applied upselling techniques and product presentation strategies to support sales growth and improve store profitability.
- Conducted inventory checks and monitored stock availability to support effective merchandising and daily operations.
- Prepared daily sales reports and maintained accurate transaction documentation.
- Strengthened customer retention through personalized service, product recommendations, and timely resolution of customer inquiries.

Mediation Company's Support Resources | Saudi Arabia
Cooperative Trainee | April 2022 – June 2022

- Assisted in conducting financial feasibility studies and preparing financial statements to support business planning.
- Analyzed financial data to identify revenue growth opportunities and support informed business decisions.
- Supported the preparation and organization of financial documentation and tax compliance records.
- Contributed to resource management activities and operational workflow coordination.

PROJECTS

Financial Analysis and Investment Evaluation

- Conducted financial analyses of companies across multiple sectors to evaluate investment opportunities and business performance.
- Applied quantitative and qualitative assessment methods to compare potential investments against financial objectives and risk tolerance.
